

INSURANCE CARD POLICY EFFECTIVE JUNE 1ST 2018

You must bring your insurance card to EVERY office visit.

Without it, we will be unable to see you.

You will be asked to provide your insurance card(s) at every visit. This is to ensure that the information we have is correct, and that your plan is current and one in which we participate.

Out of date cards with incorrect information or the wrong insurance cards can cause unnecessary delays in the payment of your claim and the balance may ultimately become your full financial responsibility.

Frequently, small changes (for example, a group number change or plan change) may not be considered significant by patients, but insurers will not process claims that are not 100% accurate.
